Convenience

You can be assured that any office you choose will provide quality care and service. You can choose from private practice optometrists and ophthalmologists, as well as nationally recognized retail locations. This directory contains the names and locations of the vision care professionals who provide care to MetLife Vision members.

We frequently update our directory information. You will find the most current listing on our website at metlife.com/mybenefits by clicking on “Find a Vision Provider.”

Value and savings

When you visit a MetLife Vision provider, your coverage will go even further, and you will receive great discounts and savings.*

Using your MetLife Vision benefit is as easy as 1-2-3

When you visit a MetLife Vision provider there are no claim forms for you to handle. Here’s how easy it is to use a MetLife Vision provider.

1. Find a MetLife Vision provider either here, online at www.metlife.com/mybenefits or by calling 1-855-MET-EYE1 (1-855-638-3931).
2. When you make an appointment, tell your provider you are a MetLife Vision member.
3. It’s that easy. Your MetLife Vision provider will handle the rest. They’ll check your benefits, verify eligibility and take care of submitting the claim for you.
